

Tea, Toast and Ghosts

For the third year running, Whirling Chair Publishing present the original and best ghost story night in Folkestone. Once again we have invited the best story tellers we could find to contribute to an evening of seasonal spectres. Come and enjoy a mulled wine with readings, films and live performances guaranteed to send a shiver down your spine.

As the nights draw in; come and cosy up with friends, old and new, for an evening of Christmas ghosts and spooky stories.
